Fuel Tanks: 1220Gallons

General Boat Description

\$20,000 PRICE REDUCTION MAY 2025 and quality traders considered. Here's your chance to own a professionally restored and rare Bertram 31 Hardtop Cruiser with Cummins diesel power. She was beautifully restored from the stringers up by John Patnovic and the skilled craftsman at Worton Creek Boatworks in Chestertown, Maryland originally for George Collins of Chessie Racing fame. Unlike the other Bertam 31 Models, very few of the Hardtop Cruisers, also known as the "Sedan" models, were ever built. Current owner performed another major update in 2022-23 at Marsh Harbor Boatyard in Beaufort, South Carolina which included an entire paint job, new Garmin Electronics, new softgoods and updates to all mechanical systems. **More than \$100,000 worth of detailed receipts from this update are available to serious buyers upon request.** This boat must be seen to appreciate. Even the original Bertram emblems were sent out by the yard for chrome plating. A link to a *Soundings* magazine article describing the original restoration is also available upon request. Some of the notable features and updates include;

- Entire boat repainted w/ Awlcraft 2000 in 2022
- Bottom sandblasted and bottom painted w/ new barrier coat June 2024
- Prop Speed June 24'
- Engines removed and painted 2023
- New Garmin Electronics 2022
- Cummins Engines Serviced December 2023
- Full Mooring Cover (will require minor modification to fit around new radar)
- Teak and Holly cabin sole
- Composite (no wood) cockpit and cabin sub floor
- Custom cockpit bench seating
- Custom Swim Platform
- Air Conditioning
- Vacuflush Head System
- Front opening windows
- Custom "Sound Down" composite exhausts
- 2400 RPM provides 28mph cruise / 2800 RPM provides 34mph performance
