General Boat Description

The Pursuit DC 306 builds on the reputation of one of the brand's most popular Dual Consoles, the DC 295. An integrated hardtop, crystal-clear tempered windshield, convertible seating arrangements and item-specific storage are a few of the highlights in our latest luxury dual console boat.

The forward bow seating is perfect for lounging when the weather is right, or you can enjoy the protection of the full windshield hardtop system to escape the elements. The wide-open layout is built around sport utility, allowing you to fish, cruise, dive and entertain in a Pursuit that sets the standard for the category.

This 2026 Pursuit DC 306 is powered by twin Yamaha Digital F300 V6 Offshore Pearlescent White engines with both Digital Electric Steering (DES and Digital Electron Controls (DEC). It has a fresh white hull sides with a navy boot stripe and flag blue helm color.
