Engine Power: 350|horsepower

Tanks

Fresh Water Tanks: 130Gallons

Fuel Tanks: 1300Gallons

General Boat Description

The DC 326 builds on the reputation of one of their most popular boats, the DC 325. The DC 326 features a fully integrated fiberglass hardtop with tempered glass windshield, thoughtfully designed storage and starboard hull side door - all with the distinctive aesthetic of Pursuit's Dual Console series. A port side wrap-around lounge, rotating helm seat, forward bow and foldaway cockpit seating offer plenty of room for friends, family and crew while rod holders, recirculating livewell and dedicated tackle storage are ready to fish.

This DC 326 Dual Console is powered by twin Yamaha Digital F350 Offshore Pearlescent White engines with integrated Digital Electric Steering (DES) and Helm Master EX Digital Electronic Control (DEC). It has a fresh white hull, platinum boot stripe and sea salt interior.
