Fresh Water Tanks: 180Gallons

Fuel Tanks: 1482Gallons

General Boat Description

Come see this 2024 Pursuit OS 405 Offshore powered by triple Yamaha digital 450 XTO with full maneuverability. It has a fresh white hull, platinum bootstripe, carbon helm color, and driftwood interior fabric. Options include platinum stereo upgrade, custom one touch electric shade, stamoid white hardtop aft curtain, cadet gray instrument cover, cadet gray engine covers and Rupp Z90 outriggers with 18' carbon fiber poles.

When we launch a new Pursuit, we raise the bar and accept nothing less than the best. That's the standard we upheld when we designed the OS 405. We went bigger—all the way to 43'. We updated the styling. We engineered a sleek silhouette and more luxurious finishes.

That sense of luxury starts on the bridgedeck, behind the large single-piece windshield, where the captain and the companion ride in style on Stidd seating. Dual 22" Garmin Multi-Function Displays greet you at the helm. Then we put all the latest features at your fingertips, like joystick controls and triple Yamaha® 450 XTO engines.

The wide-open, easy-to-maintain cockpit lets you unleash your fishing potential at a moment's notice or angle all day long in comfort with the standard Seakeeper gyro stabilizer. Pull your biggest catch in through the hullside door, then celebrate by relaxing on the plush foredeck under the Mediterranean sunshade.

Not only is it spacious above and below deck, with a mid-cabin room for guests and an island-style forward berth, the conversion-free entertainment areas mean no one needs to give up their seat to enjoy the finer aspects of boating life. We outdid ourselves by creating a boat that can fish, cruise and entertain seamlessly—so you can enjoy it effortlessly.
