General Boat Description

Come see the 2024 Pursuit S 358 Sport powered by twin Yamaha 450s XTO with fresh white hull, platinum boot stripe, carbon helm color and underside hardtop neptune gray. Options include cabin and cockpit AC with reverse heat, bow med style sunshade, makefast electric aft shade, Fischer Panda diesel genset, 18\' outriggers, transom mount rod holders, premium stereo upgrade, cadet gray aft curtain and three side enclosure stamoid white.

Designed to catch your eye and make it easy to reel in the perfect catch, the S 358 is our first-ever 35\' center console. Not only are you getting a boat that has best-in-class amenities, you\'re getting a boat in the highly coveted Pursuit Sport family.

Pivotal to its purpose is functional versatility. Like the split mezzanine seat that folds out of the way to access the entertainment center amenities.

Ergonomically designed helm seating and dash for the ultimate in comfort and control. And the fact that it\'s the only center console in the 34\' to 35\' market to have an enclosed head. Whether you are socializing on deck, driving to your secret fishing spot or taking a moment to yourself, you\'ll appreciate the thoughtful craftsmanship instilled in every inch. Plus, forward-facing lounge seats in the bow, side coaming storage and built-in rod holders add to the ways you and your family can enjoy this boat.

And in true Pursuit design tradition, nothing has been overlooked. Even down to the details, flexibility and resourcefulness make the S 358 the real standout. Competitively speaking, it has the largest cabin and the most aft cockpit seating and social zone configurations. Personally, this gives you the freedom to adjust these ample spaces to maximize your time on the water.
