General Boat Description

This Regal LX4 has all of the best options. It is White with a Mediterranean Blue Boot Stripe and has the Yamaha F250 with integrated steering. Options include Head Compartment with pump out fittings and port light, Travel Storage Cover, Transom Shower, Trim Tabs, Bow Walk Through Doors, Docking Lights, Fender Clips, Dual Garmin 943XS w/B60 transducer, Cockpit Table, Premium Package, White Power Tower.

The optimized performance, functionality and luxury of the Regal LX4 means never having to compromise. Thoughtfully-engineered, this 24-foot outboard-powered bowrider uses every available inch to maximize seating and storage space. And with trademark Regal features like Slide-Away Seating, deeper lazarette storage and the addition of a wide interior beam, both beginner and advanced captains alike can appreciate the details of this comfortable, sporty boat with a reputation for excellence.
