General Boat Description

This beautiful Downeast style boat is in amazing condition and dealer owned!

"The 2023 Sabre 43 is the first-of-her-size fully networked boat in the Sabre lineup, giving owner's unprecedented authority over their experience. Owners can control any circuit, assign preset "modes of operation," and monitor critical functions from the Helm MFDs, onboard iPad mini, or remotely via Sentinel Telematics smartphone app.

The versatile Hybrid Lounge accommodates a variety of needs. In the "berth" configuration, guests enjoy a spacious and comfortable overnight oasis. Meanwhile, in the standard "lounge" configuration, the lower-third of the berth converts into a convenient storage compartment hidden behind the aft-most backrest.

Storage is an oft-noted need in vessels of this size, and the Sabre 43 delivers. A hatch in the salon sole provides access to the multipurpose Utility Space, which offers various supplemental storage and appliance options, including storage lockers, wine cooler, or even separate side-by-side washer and dryer units." ~Sabre Yachts Brochure
