General Boat Description

The Sabre 43 Salon Express is a bold new chapter in Downeast yacht design – modernized from the keel up while staying true to Sabre’s Maine heritage. Her sleek new pilothouse, expansive windows, and sloping deck rails create a fresh silhouette that’s instantly recognized as a Sabre, yet undeniably forward-looking.

Step aboard and discover the sophistication of a much larger yacht. The 43 is fully networked, allowing owners to control systems and lighting from the helm or remotely via Sabre Connect™.

Inside, the salon features twin six-foot settees and a half-up galley designed for comfort, efficiency, and style. Below, a versatile lounge adapts to any need—guest berth, office, or retreat—while the master stateroom offers Sabre’s signature warmth with an island berth and generous storage. A flexible utility space under the salon adds even more customization options to suit every journey.
