Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 210

Engine Power: 550|horsepower

Tanks

Fresh Water Tanks: 1160Gallons

Fuel Tanks: 1525Gallons

General Boat Description

Sabre 48 Salon Express: An Ideal Combination of Evolution and Revolution.

"The 48 Salon Express has a traditional exterior profile that belies her contemporary performance. She cruises at 27 knots and, and at wide open throttle, she'll attain more than 32 knots. Pod drives and joystick controls give every owner-operator the confidence to dock her in the most difficult of circumstances, and remarkably low sound levels while underway allow for a more pleasant experience while cruising.

Featuring a standard configuration of two cabins and two heads, the 48 Salon Express is supplemented by a utility space forward of the engine room that can be laid out as additional crew quarters. Designed with our customers in mind, her galley-down layout doesn't compromise on space and light, making food and drink preparation a pure pleasure. Unique to the Sabre 48 design, her master berth and en-suite head have an athwartships orientation, allowing for flat cabin sole on all side of the spacious island queen." ~*Sabre Yachts*
