General Boat Description

The 2019 Tiara Sport 38 LS is a luxury sport yacht, approximately 38 feet long, designed for day boating and mega-yacht tender use, featuring a performance hull, a spacious cockpit with an island-style galley, and a cabin with a berth and head. The Tiara Sport 38 LS could function equally well as a dayboat or as a mega-yacht tender. She has performance-boat speed, a sharp profile and good looks without being overly trendy. She is unlikely to go out of style anytime soon.

The 2019 boat was fully serviced in November of 2024.
