General Boat Description

This 2017 Bost Whaler 240 Dauntless just came in. More detailed pictures to come after the service team finishes going through it. It is powered by a white Mercury Verado 300 with 302 hours currently on it. It has a poling platform with rod holders, hard top with rod holders, bow rails, Fusion stereo head unit with four JL Audio speakers, trim tabs, full t-top cover, bow cushion with lay down backrests and a VHF radio.

The 240 Dauntless® is an accomplished “multitasker,” ready for action, whatever your plan. Numerous options, accessories and packages, along with ample space onboard, allow you to best customize your Whaler to fit your needs. Each day on the water is perfect, no matter the agenda. It is a great bay boat with big water features.
