Engine Model: 6LY

Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 135

Engine Power: 440horsepower

Tanks

Fresh Water Tanks: 1100Gallons

Fuel Tanks: 2100Gallons

General Boat Description

"GULLYWHUMPER" (ex- *Sarah J*) represents a rare find in the Downeast market: a 2001 custom-built Ellis 36 Flybridge that has been thoughtfully updated for the modern cruiser. Built for a seasoned yachting couple, she reflects the high-water mark of Maine boatbuilding—combining the iconic "lobster boat" profile with the luxury and stability of a dedicated flybridge cruiser.

Unlike many vessels of her vintage, GULLYWHUMPER has been given a **fresh, powerful heart**. Her recent repower ensures that her next owners can enjoy the legendary "Ellis Ride" with the quiet confidence and efficiency, this elegant cruiser is ready for her next chapter.
