Engine/Fuel Type: diesel

Engine Hours: 2390

Engine Power: 330horsepower

## **Tanks**

Fresh Water Tanks: 1150Gallons

Fuel Tanks: 1400Gallons

## **General Boat Description**

Don't miss this very well maintained President 42 Trawler that has spent the majority of it's life in fresh water in the Great Lakes and in heated storage in the winter. This vessel is "loop ready" combining the necessary dimensions and accommodations for a comfortable and hassle free experience. Recent maintenance history includes a Cummins 1000 hour Service performed in 2025, annual engine and generator services April 2026 and fresh bottom paint in February 2026. Accommodations include a large salon with settee/dinette, galley and lower helm station. There are fore and aft staterooms, each with marine queen berths and ensuite heads and showers. The interior is beautifully finished in cherry, burl and teak woods. Flybridge is easily accessed via steps, not a ladder. Mast is hinged to accommodate height restrictions. Owner keeps meticulous logs and service records. 2025 Highfield Tender is included with sale. Vessel is easy to see in Hilton Head, South Carolina.

### **Notable features and updates include:**
