General Boat Description

Pursuit's newest dual console is built to hit all the sweet spots – size, profile and layout. With an LOA of 30' and a 9' 6" beam, the DC 286 is built to perform in any condition with pure agility and versatility. A full-width hardtop and elevated windshield deliver protection, visibility, and fresh airflow, all framed by Pursuit's signature fiberglass windshield system and a sleek, athletic profile. Confident in rough water and refined at rest, the DC 286 offers a versatile interior with generous seating and storage—ready for fishing, cruising, or entertaining without complicated conversions or compromise.

This new model 2026 Pursuit DC 286 Dual Console is powered by twin Yamaha Digital F300 V6 Offshore (pearlescent white) with Digital Electric Steering and Helm Master EX Digital Electronic Control. It has a fresh white hull color, navy boot stripe and flag blue helm.
