The DC 326 builds on the reputation of one of their most popular boats, the DC 325. The DC 326 features a fully integrated fiberglass hardtop with tempered glass windshield, thoughtfully designed storage and starboard hull side door - all with the distinctive aesthetic of Pursuit's Dual Console series. A port side wrap-around lounge, rotating helm seat, forward bow and foldaway cockpit seating offer plenty of room for friends, family and crew while rod holders, recirculating livewell and dedicated tackle storage are ready to fish.
