General Boat Description

The all NEW model for Regal, the 34SAV is a game changer. As the latest boat in the SAV lineup, the 34SAV has many of the best features including spacious dual cabin, drop down terrace doors on either side, island entertainment center and more. Be one of the first to own this great boat and spec it out for your specific needs. Choose either twin 350 Yamaha or twin Mercury 425; both come with joystick and bow thruster standard. It is sure to entertain with the Ultimate JL Audio Package standard which includes twelve JL M6 7.7" speakers, two M6 10" subwoofers and two 800 watt amplifiers.

The 34 SAV is designed around choice. Run out early. Drift and cast. Pull up at the sandbar. Host friends without a second thought. Stay out late or make it an overnight, with comfort that feels more like a retreat than a compromise. Then point the bow toward home in quiet confidence as the sun comes up.
