General Boat Description

2021 Sabre 45 Salon Express — Just Serviced, Priced to Move

This 2021 Sabre 45 Salon Express just came out of a comprehensive spa treatment at the boatyard. New bottom paint, Prop Speed applied to running gear, topside and hull freshly waxed, brightwork fully refinished, and teak decking cleaned and covered. Every item that can be maintained has been.

540 hours on the reliable refined Volvo powertrain — right where you want a 2021 to be. This one has been used the way a Sabre should be and maintained without shortcuts the entire time. Step onboard this meticulously maintained 45 that's ready to go cruising today.

Just completed:

- Full haul-out and bottom job — new paint, Prop Speed on running gear
- Topside brightwork fully refinished
- Aft teak deck cleaned and covered with its custom aft curtain

Serious offers will be considered. Schedule a showing — this one is ready to go, today.

True to form, Sabre Yachts has designed a boat with all the comfort and class of her traditional Downeast design, with modern precision control and advanced performance. A U-shaped settee transforms her cockpit into an elegant and livable space, equally suited to entertaining or enjoying some peace on the water. Her functional side decks, with handholds wherever they are needed, provide a previously unheard of level of security and comfort.

The Sabre 45 Salon Express offers two staterooms with two full heads and a salon that flows down two gentle steps to a bright half-up galley. Her unique proposition is the utility space located between the engine room and the guest stateroom. This space is reserved for the installation of optional

accessories like washer/dryer units, additional freezers, or wine chillers. By creating this working space all storage areas within the vessel have been preserved, and her cruising accommodations feel like those of a much larger craft.
