Year Built: 2023

Engine Model: IPS 700

Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 119

Engine Power: 550|horsepower

Tanks

Fresh Water Tanks: 1160Gallons

Fuel Tanks: 1525Gallons

General Boat Description

The 2023 Sabre 48 Salon Express is a premier Downeast-style luxury yacht, known for its blend of traditional Maine craftsmanship and modern pod-drive performance. By 2023, this model had become one of Sabre's most successful designs, favored for its "galley-down" layout that maximizes social space in the main salon.

Notable Features

- **Performance & Handling:** Powered by **Twin Volvo Penta D8-IPS700 (550hp)** engines with only 119 hours. The joystick control and "Skyhook" dynamic positioning make it exceptionally easy to dock, even in challenging currents.
- **Athwartship Master Stateroom:** A unique design choice where the master bed is oriented side-to-side rather than bow-to-stern. This creates a more open feel and allows for a flat floor throughout the cabin.
- **Social Layout:** The salon features a large L-shaped settee and a high-low table that can convert into an extra berth. Large windows and a stainless-steel framed door connect the interior seamlessly to the cockpit.
- **Utility Space:** Beneath the salon sole is a large utility room; that has crew quarters with its own berth, a washer and dryer side side in utility room with drawers below and a built in Vitrifirigo freezer/fridge drawer.
