Featuring a salon social zone with versatile seating, the helm seat rotates inward while the companion seat adjusts to form a comfortable L-shaped lounge, ideal for entertaining. The aft cockpit offers a customizable experience, featuring your choice of the Buffet Lounge or the Adventure modules. The aft facing cockpit seat with storage complements either module.

The galley is thoughtfully positioned below to enhance the social space above deck. Outfitted with a sink, microwave, cooktop, and premium amenities, the space is designed to support effortless entertaining. Two well-appointed sleeping quarters offer comfort on longer cruises and a three-zone head complete the space.
