Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 0

Engine Power: 480|horsepower

Tanks

Fresh Water Tanks: 1118Gallons

Fuel Tanks: 1350Gallons

General Boat Description

The 2020 Tiara C44 Coupe is widely regarded as a benchmark for the American luxury express cruiser market, featuring twin 480hp Volvo Penta D6 IPS650 diesel engines, pod drives with joystick control, and Seakeeper 6 stabilization. It features a two-stateroom/two-head layout, a fully enclosed salon with a sunroof, and an aft galley/cockpit entertaining.

Striking a sophisticated balance between a rugged, "sweet-riding" offshore hull and an upscale, open-concept interior designed for socializing this well-maintained coupe is ready for you; whether you are looking long-range coastal cruiser or a "day boat" for entertaining friends.
