Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 200

Engine Power: 480horsepower

Tanks

Fresh Water Tanks: 1118Gallons

Fuel Tanks: 1350Gallons

General Boat Description

A more leaning take on classic Tiara yacht lines, the profile of the 44 Coupe heralds the progressive nuances of this yacht. To promote more interaction between pilot and guests and for further enjoyment of the water, the salon is enclosed but can be opened easily through the oversized sliding glass doors, bringing the outside in and the inside out. The architectural theme inside is centered on warm teak complimented by the latest interior finishes. A spacious salon, generous staterooms and contemporary galley accommodate multiple guests in style. The wrap around windshield, large sunroof and abundant windows make for better visibility and brighter, airier interior spaces. Once outside the fun gathers around the aft grill and huge swim platform. It's the perfect yacht where everything revolves around your connection with the water and your guests, for memories everyone will cherish.
